

# Healthy Hawai'i Strategic Plan 2030 Summit

October 25, 2023

Pam Eaton, Executive Director  
Maui Metropolitan Planning Organization

Progress

# Obstacles

- Community Engagement -lack of, or too late in the process
- Project management staffing shortages
- Institutionalize CS
- Land use decision makers

# Priorities

## Complete Streets Elements

Complete streets are designed and built for all users, including pedestrians, bicyclists, motorists, and transit riders of all ages and abilities. They are designed and built to share more and shape your input.

CREATING HEALTHIER COMMUNITIES

### Make it Safer to Walk

### Make it Safer to Bike

### Add or Improve Shade

### Make it Safer to Cross

### Improve Bus Stop Access

## Share Your Input!
